The studio provides a dance instructor to teach an hour dance class in the genre of your choice. We offer the following genres: ballet, jazz, hip hop, modern, contemporary, creative movement. We also can have a themed dance class such as fairy princess, musical theater, or inspiration from your child's favorite TV show! The options are endless!

We also have an oven should you need to keep any food warm. We also provide tables and chairs for your party! In addition, the studio provides post party clean up!
