What to expect for picture day:

Picture day is a fun day to dress up in your performance costume with your class(es) and take some quality group and individual photos with a professional photographer. During the class photo time, we will take a picture of the group and any requested individual photos. Please refer to the above time line to know when to arrive at the studio. When your class's photo session is over you are welcome to leave. If you have a break between individual or sibling group photos you are welcome to leave and return or stay at the studio. Please arrive 10-15 minutes before your class time. Please do not leave your children unattended at the studio.

Costume, hair, make up:

Please wear your full class costume and dance shoes with accessories (if applicable). Dancers wearing leotards should refrain from wearing undergarments as patterns and various panty lines can be seen on camera and on stage. We highly recommend dancers in two or more classes to get a nude leotard for easy costume changes on picture day and backstage during the end of year performances. Ballet ladies, please wear your hair in a low bun utilizing bobby pins, a clear hair net and gel/hair spray to ensure a slicked and secured bun. Jazz, Modern, Tap, & Hip Hop ladies please wear your hair in a low ponytail that is slicked and secured with gel/hairspray. If your hair is too short talk to Jenn about other approved hair options. For make up, we recommend foundation, blush, mascara, natural eye shadow, and red lipstick. Gentlemen, keep it clean and simple. Please do not wear any jewelry. Please refrain from any new piercings until after the show. Please remove all nail polish. Modern dancers should also remove any toe nail polish. Any visible tattoos must be covered with foundation.

Costs:

There is no cost to participate in our picture day. Should you want to purchase individual or group photos a form has been provided with the available choices. Please bring the filled out form with payment on photo day. Please fill out a form of your picture selections for each class and/or each dancer. Example: Suzie Q is taking Ballet and Jazz and would like individual photos of both. Suzie Q's parents should fill out two forms, one for each class. Suzie Q's parents can write one check, cash or credit card for both forms. Dave Bates of Fotographix accepts cash, checks and credit cards. Online orders are also available should you need to order more photos or would like other items like mugs, tshirts, etc! <http://fotografixstudio.com/>

If you have accessories please do not lose them as we do not have extra. If your dance has props they will be stored at the studio until the performance.

What to pack for the day:

Please wear/pack your dancer(s) costume(s), dance shoes and other accessories. Please label all pieces of your dancer's costume(s) with your dancer's first name and last initial. Pack extra bobby pins, hair elastics and hair product to keep hair securely in place. Pack make up. Pack dry snacks, veggies, fruit & water bottle. An over-sized shirt to cover the costume is a great idea for small children to avoid stains on their costume(s)!

Hair & Make up:

Please wear your full class costume and dance shoes with accessories (if applicable). Dancers wearing leotards should refrain from wearing undergarments as patterns and various panty lines can be seen on camera and on stage. We highly recommend dancers in two or more classes to get a nude leotard for easy costume changes on picture day and backstage during the end of year performances. Ballet ladies, please wear your hair in a low bun utilizing bobby pins, a clear hair net and gel/hair spray to ensure a slicked and secured bun. Jazz, Modern, Tap, & Hip Hop ladies please wear your hair in a low ponytail that is slicked and secured with gel/hairspray. If your hair is too short talk to Jenn about other approved hair options. For make up, we recommend foundation, blush, mascara, natural eye shadow, and red lipstick. Gentlemen, keep it clean and simple. Please do not wear any jewelry. Please refrain from any new piercings until after the show. Please remove all nail polish. Modern dancers should also remove any toe nail polish. Any visible tattoos must be covered with foundation.

Parent Helpers:

Even though it's a small production, many hands make a light load. We are looking for parent helpers for the following jobs: back stage parents, prop help, product sales, programs, and tickets. A sign up sheet and information about each job will be posted on the show table in the waiting room at the beginning of May or you can email Jenn directly.

Backstage area:

We will have multiple backstage parents and staff to help with last minute hair, costumes, accessories, quick changes and make up (if needed). Otherwise, we encourage all other parents to drop off their dancers in the care of the backstage parents and faculty. Please check in and out with Emily Dunuwila who will be taking attendance before and after our dress rehearsal day and our performance day. That way every dancer goes home safely with their families!

Young audience members:

We understand that sometimes our younger audience members may cry or get fussy. Should you need to step out of the performance please come back when everyone is a happy camper! Please try to re-enter the theater in between numbers to limit the distraction for the rest of the audience.

Performance Filming & Photography:

We will have an in house videographer to film our performance. DVDs will be available for purchase for only \$15 that include a copy of the performance as well as our 5 year celebration slide show! If interested, please fill out a DVD order form at the end of this packet. Additional forms are available at the studio and at the theater the day of the show. Payment of the DVD is due at the time of ordering. Please **NO** flash photography, film, cell phone usage and other electronic devices that can film and/or take photos during the performances and dress rehearsal. Having multiple cameras flashing and filming blocks your fellow audience members from watching the show. More importantly, it distracts our dancers. Please unplug for our short performance. After each show we are happy to have families take some candid and posed photos with their teachers and dancing friends!

Ticket Sales:

Tickets go on sale Tuesday, May 1st. Tickets are \$10 each. You can purchase tickets at the studio during normal studio business hours or over the phone at 207-391-6014. There are 288 tickets available per show. Be sure to get your tickets early to ensure a spot for you and your family! Note: You do not have to attend both shows. Last year, most families split the shows so the dancer had a familiar face in the audience for both shows! We are having two performances to accommodate our growing dance community.

Flower Sales:

Send a flower to your favorite dancer! Before each show, we will be selling roses with a personal note that can be delivered backstage to your dancer prior to the performance. The cost is \$2 a rose or \$5 for three roses.

Costume Animals:

We are taking orders for stuffed animals customized with your child's dance costume. Be sure to check out the display to see an example of your dancer's animal in costume. (Coming in May!) If interested, please fill out a costume animal order form at the end of this packet. Additional forms are available at the studio. Payment of the costume animal is due at the time of ordering. Small bunnies are \$10 and large Bears are \$15. The larger animal choices are first come first serve. Costume animals are shown as is. Please order by 6/1/18.

5 Year Anniversary T-shirt:

To celebrate our 5 year anniversary we are holding a t-shirt design contest! Be sure to fill out a design form if you or your dancer would like to help create our very special t-shirt. Design forms must be filled out by 4/15/18. Contest winner will receive a free anniversary t-shirt!
